

New EYFS SEND recording and assessment to be used from September 2021

- ✓ As settings you can now follow either Development Matters or Birth to 5 matters for all children including those children with SEND
- ✓ You will need to complete the SEND register to record all the children's information in one place
- ✓ You will still record your children who have SEND as Cause for Concern (CFC), Targeted or Intensive
- ✓ To support assessment of all children who have SEND you will need to use the Ranges from the Birth to 5 matters document alongside - birth - 3 years , 3 years to 4 years, 4 years to 5 years
- ✓ You will still only be required to record the ranges for the prime areas
- ✓ Following half termly discussions with key workers about each individual child on the SEND register the SENCO and key worker will decide which ranges best fit the child for each prime area.
- ✓ The SENCO will be responsible for recording the ranges that each child sits within on the register and sharing with the Early Years Team during meetings – SEND overviews, TAFs, Reviews etc
- ✓ It should also be recorded on the child's APDR and shared with parents
