

Hull – The Graduated Approach

This document should be used alongside the Graduated Approach full guidance document. The table below provides links to information and resources to support settings particularly at the Universal level. The links have been provided by SLD Outreach, Northcott Outreach and The Speech and Language Service.

QFT and Reasonable Adjustments- Strategies for all	Universal	Targeted	Specialist
<p>Classroom well organised and labelled (with symbols)</p> <p>Plan by deciding what everyone can learn then 'work up'</p> <p>Clear lesson structure with learning objectives presented orally and visually.</p> <p>Introduce new material in a multi-sensory way – show it, listen to it, look at it, hear it, say it, write it. I do/We do/You do approaches.</p> <p>Instructions given in small chunks with visual cues and reinforced in writing or with visuals.</p> <p>Understanding checked by asking pupils to explain what they have to do.</p> <p>Understanding is demonstrated in a variety of ways.</p> <p>Range of groupings within the class/school.</p> <p>Activities and listening broken up with breaks for more kinaesthetic activities.</p> <p>Praise is specific and named.</p> <p>Memory supported by explicit demonstration and modelling of memory techniques.</p> <p>Classroom assistants planned for and used to maximise learning.</p> <p>Pupils are clear what is expected – use of 'WAGOLL' and/or visual strips.</p>	<p>Routine and Structure A general guide Routines and Structure.docx</p> <p>Always give a clear role/purpose in group work. group roles information.docx</p> <p>group roles</p> <p>Checklists, in session strips, task ladders are simple with visual clues. Goblin Tools.docx</p> <p>Checklists.docx</p> <p>In sessions strips.docx</p> <p>Task Ladders.docx</p> <p>Extra time should be given for completing tasks. extra time to complete tasks.docx</p> <p>Opportunities for overlearning. opportunities for overlearning.docx</p> <p>Time taken by teacher to support transition e.g. explain change in routine.</p> <p>Reasonable adjustments to seating and space within the classroom for working.</p> <p>Use of a home-school diary share useful information.</p>	<p>Routines and Structure</p> <p>Specific Workstation/space with recommendations from specialists. Workstations.docx</p> <p>Positive behaviour plans in place. Positive Behaviour Plans.docx</p> <p>Daily meet and greet with known member of staff to support transition and regulation. daily check ins..docx</p> <p>Staff monitor and support students during unstructured times of the day.</p> <p>Support movement around school during key transitions e.g. activity to activity, class to class, person to person, place to place.</p> <p>Includes programmes as advised by outreach services/specialists to work on Individual or small group support (either in class or as part of a withdrawal).</p>	<p>Routine and Structure</p> <p>Appropriately trained TA for enhanced ratio support</p> <p>Considerable opportunities for individual or small group work within the classroom or on a withdrawal basis to address specific needs identified in partnership with specialist services.</p> <p>Individualised curriculum content to address some specific needs as advised in partnership with specific services. Where appropriate an alternative curriculum to develop independence, life skills and promote positive wellbeing.</p> <p>Specific approaches for individualised learning using approaches such as TEACCH for curriculum delivery and teaching methods.</p> <p><i>Please see the Progressive Provision Level Descriptors for guidance at this stage.</i></p>

OFFICIAL

<p>Use of concrete resources.</p> <p>Support for reading - reading rulers, coloured backgrounds or paper, use of whiteboard tools, use of electronic scanning pens and electronic dictionaries.</p> <p>Clear font.</p> <p>Visuals including timetables and timers.</p> <p>High challenge, high support with carefully thought-out scaffolds.</p> <p>Adaptive teaching taking into account the level/ outcome/pitch/pace and varied grouping.</p> <p>Use of a variety of visual stimuli to aid learning, understanding and memory - especially use of ICT to minimise or avoid the necessity for children/young people to copy from the board or a distance.</p> <p>Extra time for completion of written tasks or adjustment of expectations (dyslexic children/young people can write less or use a different format/ICT).</p> <p>Visual representation to aid understanding, recall and planning together with the use of a range of recording methods, e.g., bullet points, story board, flow chart, scribed and oral/recorded.</p> <p>Whole school training, e.g., Autism Education Trust (AET) training programme.</p> <p>Clear boundaries and routines with explicit teaching of new rules and routines.</p> <p>Consistency within the classroom in terms of organisation, structure, routines, space, and place.</p>	<p>Social Interaction</p> <p>Follow the child's lead with purpose to find out the child's specific interests and to build on interaction skills: such as joint attention, imitation, taking turns.</p> <p>Use their interests and hobbies to engage them (joining you).</p> <p>Social games – such as Ready Steady Go games that have an interest for the child at the end such as a tickle, popping a bubble, chasing, pop up rockets/wind up vehicle toys etc.</p> <p>Structured turn taking games with an adult.</p> <p>Set up paired play opportunities (peer/peer).</p> <p>Buddy systems buddy systems.docx</p> <p>Having an adult to support less structured group times – open ended activities encourage your child to be in a group situation, with the adult scaffolding and guiding communication within the group</p> <p>Provide a system for the child to request adult support to initiate or join in play or group interactions. RAG cards .docx</p> <p>Providing group opportunities to support children understanding of social situations and friendship skills, such as managing conflict and conversational skills. Conversations and conflicts</p> <p>outdoor friends group</p> <p>Provide support to develop the child's understanding of facial expressions and linking these to emotions.</p>	<p>Social Interaction</p> <p>Targeted intervention to work specifically on identified pupil skills on child's SLT Communication Plan.</p> <p>Targeted and Increased levels of Intensive Interaction through the day. Breakdown of 7 stages of Intensive Interaction.pdf</p> <p>Intensive Interaction 7 Stages - Logging sheet new.pdf</p> <p>Intensive Interaction tracker .pdf</p> <p>Let's Play (child/adult first)</p> <p>Attention Autism / Attention Bucket Attention Bucket guide.pub</p> <p>A range of specific turn taking activities with adults and then peer/peer. Adults role model communication structures as part of the activity.</p> <p>Generalisation of structured turn taking into other activities that are planned in the day. group roles information.docx</p> <p>group roles</p> <p>Use the S.H.A.R.E Framework used to structure interactions. SHARE - BLANK MASTER.doc</p> <p>SHARE - template.doc</p> <p>Social Groups – interest based or structured to build on peer interaction and communication skills. Groups such as Friends Groups, Lego Club, Talk about. Structured social groups.docx</p> <p>Planned activities during unstructured/free time/lunch times/break times to encourage</p>	<p>Social Interaction</p> <p>Intensive programmes within Communication Plans targeted at a developmentally appropriate level to develop communication and interaction e.g. Let's Play, Attention Autism, Intensive interaction, communication groups-friend's groups etc, EP2C delivered and supported by trained staff.</p> <p>Adult to facilitate interaction and communication with consideration of adaptation to the environment and available spaces to a more intensive or frequent level.</p> <p><i>Please see the Progressive Provision Level Descriptors for guidance at this stage.</i></p>
